Late Cancellation/No-Show Policy

Effective January 1, 2021

We understand that there are times you must miss an appointment due to emergencies or other obligations. If it is necessary to cancel your scheduled appointment; we require that you call at least 24 hours in advance. Appointments are in high demand, and your early cancellation will give another person the possibility to have access to timely medical care.

A late cancellation is when a patient fails to cancel their appointment with a 24 hour notice.

A No-Show is when a patient misses an appointment without canceling.

- First missed/late cancellation appointment; You will receive a phone call and the policy will be explained and the no-show/late cancellation will be noted in your account.
- Second missed/late cancellation; You will receive a final warning notice in the mail.
- Third missed/late cancellation; You will be dismissed from the practice.

I have read and understand the Late Cancellation/No-Show policy of Agave Podiatry.
